

CERTIFICATE OF ANALYSIS

Product Mycophenolic Acid Glucuronide

Batch No. ASI/MPAG/006

Physical Properties

Appearance Off-white solid (slight odor of acetic acid)

Solubility Soluble in methanol to, at least, 1g/L

Identity

¹H NMR Spectrum Consistent with structure

Mass Spectrum Consistent with structure

Purity

HPLC/MS/MS Mycophenolic Acid: 0.6%

Assay Date: October 2008

Comments

¹H NMR, mass spectra and MS traces attached.

Analytical Services International Ltd

Directors: **Prof David Holt** BSc, PhD, DSc (Med), CSci, EurClin Chem, FESC, FRCPATH
Prof Atholl Johnston BSc, MSc, PhD, CSci, FRCPATH
